

e-Matrix Linear Heat 1300/400-I

Key Technical Specifications

- Model number KA10128100
- Brand Faber
- Adjustable flame 1
- Backwall Options Back wall steel flat
- Build in dim LxHxW 1433 x 827 x 452
- Burner Type Double line burner
- Controller type App & ITC Remote
- Decoration Type Logset/White Carrara Pebbles, Log set or White Pebble,
- Energy Label B
- Fuel Type Gas
- Gas Connection 3/8"
- Heat Output Nom max. (kW) 10,5
- ITC Controller YES
- Minimal heat output (kw) 4,0
- Model Front
- Nominal heat output (kw) 10,5
- Operating system Honeywell
- Remote Control Yes
- Remote Control Type Via app and ITC Remote
- Shape Landscape
- Type Indoor
- Type of Gas Natural gas
- Type of Glass Standard glass
- View Type Front
- Viewing window WxH [cm] 130,0 x 40,0
